

Professor Knut Samset

Scanteam

Professor, Norwegian University of Science and Technology

Program Director, Concept Research Program

Tel: +47 73 59 46 41 - Mobile: +47 900 848 11 - Fax: +47 73 59 70 21

E-mail: knut.samset@ntnu.no - Web: www.scanteam.no

NATIONALITY: Norwegian

KEY QUALIFICATIONS:

Extensive experience with appraisal, planning and evaluation of projects, including developing methodology and training professionals in these fields. Author of several text books in project planning, risk analysis, evaluation, and logical framework approach. Professional experience in interdisciplinary research, research policy planning, future studies, and teaching.

Practical work has been carried out in a number of fields, where assignments are organised under the following headings below: (1) Project evaluation and project cycle management, (2) Project planning, (3) Project risk management, (4) Environmental protection and Natural Resource Management, (5) Technology assessment, (6) Industry and infrastructure, (7) Multilateral organizations, (8) Gender analysis, (9) Research, (10) Teaching and education, (11) Information and publishing.

LANGUAGES:

Norwegian:	Mother tongue
English:	Fluent
German:	Fair
French, Italian, Polish:	Working knowledge

COUNTRY WORK EXPERIENCE:

Africa: Angola, Botswana, Kenya, Lesotho, Malawi, Mozambique, Swaziland, Tanzania, Zambia, Zimbabwe

Asia: Bangladesh, India, Japan, Malaysia, Nepal, Sri Lanka.

Latin-America: Mexico.

Europe: Italy, Poland, Romania, Yugoslavia.

EDUCATION:

1998	Ph.D. in Project and Risk Management, the Norwegian University of Science and Technology, Trondheim, Norway
1976	Development studies and future studies, Diploma, Inter-university for Post-graduate Studies, Dubrovnik, Yugoslavia
1974-76	Sociology, Post-graduate studies, University of Oslo and University of Warsaw
1972	Educational Science, Diploma, University of Trondheim

- 1972** M.Sc. in Mechanical Engineering, Norwegian Institute of Technology, Norway
1968 Diploma in Mechanical Engineering, Oslo School of Engineering

EMPLOYMENT

- 2000 – date* Professor, NORWEGIAN UNIVERSITY OF SCIENCE AND TECHNOLOGY, Faculty of Engineering and Technology, Trondheim.
- 2001 – date* Director of the CONCEPT program, a national research program on front-end risk assessment and quality assurance of major investment projects.
- 1992 – date* Senior Partner, SCANTEAM, Oslo.
- 1989 - 1992* Managing director, SCANTEAM, Oslo.
- 1982 - 1989* Director, SAMSET & STOKKELAND CONSULTING AS, Oslo
- 1980 - 1982* Head of Research Policy Planning, NORWEGIAN CENTRAL COMMITTEE FOR RESEARCH, Oslo
- 1979 - 1980* Junior Programming Officer, ILO Area Office, Dar es Salaam, Tanzania
- 1977 - 1979* Secretary General, Forum for Inter-disciplinary Research, Norway,
- 1976 - 1979* Researcher/lecturer in Department of Environmental Studies, UNIVERSITY OF OSLO
- 1975 - 1976* Researcher, University of Warsaw, as UNESCO fellowship holder in the area of future studies. Assignments also with research institutions in Italy, Romania and Yugoslavia in the same period
- 1972 - 1974* Editor, INGENIØRFORLAGET AS, Oslo, the technical journal “Maskin” (Mechanical engineering), and the main engineering journal “Teknisk Ukeblad” (Technology weekly)
- 1971 - 1972* Research Assistant, Faculty of Mechanical Engineering, The Norwegian Institute of Technology

PROFESSIONAL EXPERIENCE (some assignments mentioned more than once)

1. Project evaluation and project cycle management

- 1.1. 2003, Published a textbook on project evaluation, “Project Evaluation. Making Investments Succeed”, Tapir Academic Press
- 1.2. 1985 - date, participated in about 30 evaluations and reviews of various programmes and projects in Africa, Asia and Latin America, mostly as head of mission. Clients: the Ministry of Foreign Affairs in Norway and Japan, the Norwegian Agency for Development Co-operation (NORAD), World Bank, SIDA, ILO and the Swedish Secretariat for Analysis of Development Assistance (SASDA). For details, see paragraph 2 - 9, below.
- 1.1. 1993, wrote the evaluation handbook for the Norwegian Ministry of Foreign Affairs, which was subsequently translated into Japanese, Spanish and Portuguese and adopted as evaluation handbook by the Japanese development agency (JICA) and some other bilateral and non-governmental development agencies world-wide. I also produced the evaluation handbook for the Japanese Foundation for Advanced Studies in International Development (FASID)

- 1.2. 1993 - date, trained a large number of officials in Norwegian development aid to use instruments for quality management. Client: NORAD and Norwegian Ministry of Foreign Affairs
- 1.3. Since 1991, developed and conducted training courses in evaluation for a large number of officials from Norwegian, Japanese and Malaysian ministries and development agencies in Oslo, Kuala Lumpur and Tokyo. Clients: NORAD, FASID, the Ministry of Foreign Affairs in Norway and Japan, Nordic Development Fund
- 1.4. 1999 -2000, in charge of a project to develop a glossary and harmonise terminology in evaluation and results based management in the OECD member countries. Client: Development Co-operation Directorate, OECD
- 1.5. 1999, developed and conducted a post-graduate training course in evaluation for the Department of International Health at the University of Oslo.
- 1.6. 1998, produced the evaluation handbook for the Danish Ministry of Foreign Affairs.
- 1.7. 1998, developed a system for monitoring and quality assurance of project and programme activities in a non-governmental development organisation. Client: Norwegian People's Aid
- 1.8. 1995-97, developed manuals for project cycle management in Norwegian development aid. Client: NORAD
- 1.9. 1996, Evaluation of the research cooperation between the Norwegian Agricultural University and the Agricultural University of Tanzania. Client: Center for International Studies, Norway
- 1.10. 1995, Evaluation of research and scholarship programmes at the University of Zambia funded by a major grant from the Norwegian Government from 1989 onwards, Client: NORAD
- 1.11. 1996, review, Internal Procedures for Project Cycle Management and Quality Assurance Client: NORAD
- 1.12. 1991, evaluation of the effectiveness of evaluations as a tool to generate experience in Norwegian bilateral development aid, Client: Norwegian Ministry of Foreign Affairs
- 1.13. 1984-86, developed monitoring and evaluation systems in water supply projects in Zambia and Tanzania . Clients: NORAD and Swedish International Development Agency (SIDA)

2. Project planning

- 2.1. 1983-date, participated in about 20 planning missions and workshops of development projects and programmes in Africa, Asia and Norway. For details, see also paragraph 3 - 9, below.
- 2.2. 1990, produced a handbook in objective-oriented planning (the Logical Framework Approach) for NORAD. Reprinted 1992, 1996, 1998 and 1999, and translated into Japanese, Spanish and Portuguese and Chinese. Adopted by a number of bilateral and non-governmental development agencies world-wide.
- 2.3. 1990-1999, developed training courses and trained a large number of government officials in Norway, Japan, Malaysia, Sweden, Denmark in project planning. Clients: NORAD, FASID, SIDA, DANIDA
- 2.4. 1997, developed a handbook on financial and economic assessment in development assistance
- 2.5. 1995-97, lectured in project planning in the Programme for Reconstruction and Development for Bosnian refugees in Norway. Client: the Norwegian University of Science and Technology

- 2.6. 1976 - 1980, lectured in development theory at the University of Oslo and the University of Dar es Salaam

3. Risk management

- 3.1. 2005, Participated in a study of political risk in hydropower investment in Nepal. Client, NORAD
- 3.2. 2001-onwards, developed and conducted training courses in front-end and risk management of projects at the Norwegian University of Science and Technology
- 3.3. 2001, published a university level textbook on Front-end Management of projects (in Norwegian) Title: 'Prosjektvurdering i tidligfasen. Fokus på konseptet', Tapir Publishing House, ISBN 82-519-1679-8
- 3.4. 2000 – 2006, director of a national research program on Front-end management of major public projects funded by the Norwegian Ministry of Finance
- 3.5. 1999, Produced a manual on project risk management in cooperation with researcher in the research programme 'Project Management 2000' at the Norwegian University of Science and Technology.
- 3.6. 1998, Seminar director in a seminar on risk assessment and risk management in international development assistance organised by the Foundation for Advanced Studies in International Development, Tokyo
- 3.7. 1998, Study of uncertainty, risk and management practices in Norwegian development assistance. Client: the Norwegian Ministry of Foreign Affairs
- 3.8. 1997-1998, conducted research on uncertainty, risk and project management in international projects as part of a Ph.D. programme at the Norwegian University of Science and Technology, Institute of Building and Construction Engineering
- 3.9. 1997 Survey of donors agencies' experience and activities in the field of risk management, Client: Norwegian Ministry of Foreign Affairs
- 3.10. 1997 Survey of opinions and attitudes to uncertainty and risk in development projects
- 3.11. 1996 Analysis of uncertainty and risk in a sample of 300 international development projects

4. Environmental protection and Natural Resource Management

- 4.1. 1999, Evaluation of the World Bank/UNDP Water and Sanitation Programme in South Asia. Client: The Norwegian Ministry of Foreign Affairs
- 4.2. 1999, Evaluation of the World Bank/UNDP Water and Sanitation Programme in Southern and Eastern Africa. Client: The Norwegian Ministry of Foreign Affairs
- 4.3. 1997, Systems engineering study of hydrogen based energy systems. The Norwegian University of Science and Technology
- 4.4. 1996, Project review, the Water Supply and Sanitation Programme, Western Province, Zambia, Client: NORAD
- 4.5. 1996, Evaluation, Japanese support to the Earthquake Disaster Prevention Centre, Mexico, Client: Ministry of Foreign Affairs, Japan
- 4.6. 1991, Sector study, Lessons learned in Norwegian aid that can be applied on Integrated Resource Management Programmes, Client: The World Bank
- 4.7. 1986, Project review, the Community Participation and Health Education component of the Norwegian supported water supply programme in Rukwa, Tanzania. Client: NORAD
- 4.8. 1986, Evaluation, water supply and sanitation programme in the Western Province, Zambia. Client: Norwegian Ministry for Development Cooperation

- 4.9. 1985, Monitoring and evaluation system, Rural and urban water supply and sanitation programme, Western Province, Zambia. Client: NORAD
- 4.10. 1984, Project review, water supply programme in Kigoma, Tanzania. Client: NORAD
- 4.11. 1984, Evaluation, Rural Water Supply Reconstruction and Development Programme in Zimbabwe. Client: Ministry of Development Cooperation (Norwegian Ministry for Development Cooperation).
- 4.12. 1977, Advisor on energy policy to the Norwegian Liberal and Socialist political parties
- 4.13. 1976-79, Researcher and lecturer in the Department of Environmental Studies, University of Oslo

5. Technology assessment

- 5.1. 1999, Review of Finnish support to the Asian Institute of Technology in the fields of Telecommunication and Paper and Pulp technology. Client: Finland's Ministry of Foreign Affairs.
- 5.2. 1992-95, Developed and conducted a training course in technology assessment for officials in the Norwegian development aid administration. Client: NORAD
- 5.3. Since 1985, applied technology assessment in a number of evaluations and planning missions of development projects
- 5.4. 1987, Policy study, appropriate technology in Norwegian ODA. Client: Norwegian Ministry for Development Co-operation
- 5.5. 1979, Study of the impact of telecommunication in society. Client: the research institute of the Norwegian Telecommunication Administration
- 5.6. 1977, Published a book on technology assessment 'A Man's World. Techno Politics and Social Change' (in Norwegian)
- 5.7. 1975-77, Post-graduate research fellow at the universities in Oslo and Warsaw, doing a research project on technology and social change

6. Industry and infrastructure

- 6.1. 1996, Workshop to redesign Moneregala Integrated Development Programme, Sri Lanka, Client: NORAD
- 6.2. Evaluation. Programme in Quality Assurance/Quality Management in 100 Industrial Companies in the ADC Region, Client: NORAD
- 6.3. 1992, Policy Study, Privatization of public sector industries and institutions in Sub-Saharan Africa, Client: Norwegian Ministry of Foreign Affairs
- 6.4. 1992, Impact evaluation, SATCC working group of experts on road traffic and transport in Southern Africa, Client: NORAD
- 6.5. 1991, Development of an operational strategy for the Norwegian Import Promotion Office for Products from Developing Countries (NORIMPOD), Client: NORAD
- 6.6. 1990, Planning workshop, for the planning of ANC's refugee settlement in Dakawa, Morogoro, Tanzania, Client: Norwegian People's Aid
- 6.7. 1989, Project review, the Norwegian financed Integrated Rural Development Programme, Northern Province, Zambia, Client: NORAD
- 6.8. 1989, Project review, Norwegian assistance to SATCC's expert group on port administration, Client: NORAD
- 6.9. 1988, Evaluation, Gambia Co-operative Union and the groundnut industry in The Gambia., Client: ILO

- 6.10. 1987, Evaluation, Rural roads maintenance programme in Tanga and Mbeya regions, Tanzania. Client: Norwegian Ministry for Development Cooperation
- 6.11. 1986, Evaluation, Southern African Team for Employment Planning in the SADCC region. Client: SIDA

7. Multilateral organisations

- 7.1. 1999 -2000, in charge of a project to develop a glossary and harmonise terminology in evaluation and results based management in the OECD member countries. Client: Development Co-operation Directorate, OECD
- 7.2. 1999, Evaluation of the World Bank/UNDP Water and Sanitation Programme in Southern and Eastern Africa, and in South Asia. Client: The Norwegian Ministry of Foreign Affairs
- 7.3. 1997, advisor to the Ministry on an evaluation of the World Health Organisation, Client: Norwegian Ministry of Foreign Affairs
- 7.4. 1995, Evaluation, National Education Trust Fund, Tanzania. Client: The World Bank
- 7.5. 1991, Sector study, Integrated Resource Management Programmes. Lessons learned in Norwegian aid, Client: The World Bank
- 7.6. 1988, Review, Norwegian supported institutional assessments of multilateral agencies. Client: Norwegian Ministry for Development Co-operation
- 7.7. 1988, Evaluation, Gambia Co-operative Union and the groundnut industry in The Gambia., Client: ILO
- 7.8. 1985, Evaluation, the Norwegian multi-bilateral programme under UNESCO. Client: Norwegian Ministry for Development Co-operation
- 7.9. 1985, Evaluation, ILO's anti-apartheid programme in the Southern African region. (25 projects). Client: ILO

8. Gender analysis

- 8.1. 1994, Evaluation. Gender aspects in Swedish ODA in India, Zimbabwe and Namibia, Client: Swedish Secretariat for Analysis of Development Assistance
- 8.2. 1991 - 1995, developed and conducted a training course in Gender analysis for a number of officials in the Norwegian development aid administration. Client: NORAD
- 8.3. 1989, Evaluation, Integration of women in mainstream development projects, Client: ILO
- 8.4. 1987, Project plan, strengthening women's involvement water supply and sanitation and health activities in Zimbabwe. Client: NORAD
- 8.5. 1983, Development of methodologies for the evaluation of women-oriented water supply and sanitation programmes. Client: UNDP

9. Research

- 9.1. 2000 onwards, Director of the CONCEPT programme, a major research programme focusing on front-end risk assessment and quality assurance of major projects, in cooperation with government, industry and academic institutions in Norway and abroad.
- 9.2. 1997-98, Ph.D. research project on uncertainty, risk and project management in international development projects. Norwegian University of Science and Technology, the research programme 'Project Management 2000' financed by the Norwegian Research Council and Scanteam international
- 9.3. 1996, Outlining a research programme on hydrogen-based energy systems, with the Norwegian University of Science and Technology

- 9.4. 1996, Evaluation of the research cooperation between the Norwegian Agricultural University and the Agricultural University of Tanzania. Client: Center for International Studies, Norway
- 9.5. 1995, Evaluation of research and scholarship programmes at the University of Zambia funded by a major grant from the Norwegian Government from 1989 onwards, Client: NORAD
- 9.6. 1992, Tutor for two masters students in political science at the University of Oslo
- 9.7. 1980-82, employed as Head of Research Policy Planning in the Norwegian Central Committee for Research, developing a national policy for peace, security and development research.
- 9.8. 1978, planning and promoting the Norwegian inter-disciplinary research programme 'Alternative Future'
- 9.9. 1977-80, Secretary general for the Norwegian Forum for Interdisciplinary Research, Oslo.
- 9.10. 1975-76, UNESCO research fellow at the University of Warsaw in the area of future studies, under a project with the title 'Technology and Social Change'. In the same period assignments also as associate researcher at the Institute of Methodology for Future and Development Studies, Bucharest, and the Institute of Future Research and Education in Rome
- 9.11. 1974-75, Research assistant, Chair in Peace and Conflict Research, University of Oslo in the project 'Technology and Social Change'.
- 9.12. 1971-72, Research assistant, Faculty of Mechanical Engineering, The Norwegian Institute of Technology

10. Teaching and education

- 10.1. 1999, developed and conducted a post-graduate training course in evaluation for the Department of International Health at the University of Oslo.
- 10.2. 1998, developed a training course in evaluation for foreign office personnel, Client: Norwegian Ministry of Foreign Affairs
- 10.3. 1995-97, Lectured in project planning in the Programme for Reconstruction and Development for Bosnian refugees in Norway. Client: the Norwegian University of Science and Technology
- 10.4. 1990 – date, developed and conducted training courses for a large number of officials in government and non-government institutions and universities in Norway, Japan, Malaysia, Sweden, Denmark and Finland, in the fields of planning, management and evaluation of development projects, and technology assessment and gender analysis
- 10.5. 1995, Evaluation, National Education Trust Fund, Tanzania, Client: The World Bank
- 10.6. 1991, Review of training needs of Danish ODA personnel, Client: DANIDA
- 10.7. 1976 - 1980, Lectured in development theory at the University of Oslo and the University of Dar es Salaam
- 10.8. 1978 -79, Coordinator and university lecturer in energy studies, research methodology and technology assessment in the Department for Environmental Science, University of Oslo
- 10.9. 1975-78, gave a number of lectures about energy policy, technology assessment, environmental issues, and future studies in different Norwegian colleges.
- 10.10. 1973-75, Lectured eight semester courses in structural engineering, mechanics and statistics, in a technical college in Oslo

11. Information and publishing. (See Annex 2 for a detailed list of publications)

- 11.1. 1998, produced the evaluation handbook for the Danish Ministry of Foreign Affairs.
- 11.2. 1997, developed a handbook on financial and economic assessment in international development assistance, Client: NORAD
- 11.3. 1996, evaluation, Japanese support to the Educational Television Training Centre, Mexico, Client: Ministry of Foreign Affairs, Japan
- 11.4. 1994, Developed a manual in Project/Programme Cycle Management for Norwegian ODA, Client: NORAD
- 11.5. 1993, Produced an evaluation handbook for Japanese ODA, Client: Foundation for Advanced Studies in International Development (FASID)
- 11.6. 1990, Developed a handbook in evaluation for Norwegian Development Aid, Client: Norwegian Ministry of Foreign Affairs
- 11.7. 1989, Produced NORAD's handbook: "The Logical Framework Approach (LFA) Handbook for Objectives-oriented Planning", Client: NORAD
- 11.8. 1977 and 78, Information officer at the international conferences of the World Future Studies Federation, Dubrovnik and Berlin
- 11.9. 1977, Published a book about technology and social change, titled "Mannens Verden. Teknopolitikk og samfunnsutvikling" (Techno-politics and socio-political development). Ingeniørforlaget,
- 11.10. 1975-78, gave a number of presentations about energy policy, technology assessment, environmental issues, and future studies in public debate meetings.
- 11.11. 1975-76, Produced about 20 radio programmes about future studies, technology and development issues for the Norwegian Broadcasting Corporation
- 11.12. 1972-74, Editor of two engineering journals in Ingeniørforlaget, Oslo
